New features

This is a free maintenance release for existing PitStop Extreme 08 users. This release fixes or enhances functionality in several areas.

This update is also compatible with PitStop Professional 08, update 6.

An overview of the new features in PitStop Extreme 08 is listed in the version history.

Product Update for Existing Enfocus PitStop Extreme Users

This version of Enfocus PitStop Extreme is a free maintenance update for existing PitStop Extreme 08 users. For other users it's a paying upgrade.

System Requirements

Windows®

Microsoft® Windows® XP Professional or Home Edition
Microsoft® Windows® Vista Home Premium, Business or Ultimate (32-bit only)

Macintosh®

Mac OS® X 10.4.11 through 10.5.6 (Universal)
Stuffit Expander 10 or higher (for expansion of the installer package)

Hardware

Macintosh®: Minimum Mac with G5 processor, 1 GB RAM (recommended: MacIntel 2.0 Ghz, 2 GB RAM)
Windows®: Minimum 512 GB RAM (recommended: 1 GB RAM)
1.024x768 screen resolution (1280 x 1024 recommended)
DVD drive (for installation from the products DVD)

Color Management:

ICC profiles used must be compatible with the CMS of the operating system.

Setup & Uninstall, Product Key & Activation

Setup

The setup program for Enfocus PitStop Extreme is called "Enfocus_PE_08_update2_US.exe" on Windows and "Enfocus_PE_08_update2_US.tgz" on Macintosh and is either:

- located on the products DVD
- downloaded from the Enfocus Web site

Double-click the setup program and follow the on-screen prompts to install the software on your system.

Uninstall

- Windows: The software can be removed from your system using the "Add/Remove Software" control panel.
- Macintosh: The software can be removed by running the setup program and choosing the "Uninstall" option.

Product Key

After installing the software, you will have the possibility to start a 30-day fully functional trial period. Therefore you will be asked to step through a wizard in order to start your trial.

Afterwards, the product will only run when activated, thus requiring a Product Key. You can find this 30-character Product Key (e.g. ABC5EF-GH2JKL-M45P9R-ST22WX-YZ5234)

- in the DVD case,
- together with the e-mail providing the link to download the electronic version

Note: When starting the 30-day trial period or when activating, Enfocus PitStop Extreme needs an Internet connection (but this may be on another computer).

Activation

The activation procedure is described in the PitStop Extreme Reference Manual, which is delivered together with the application.

Remarks and Known Issues

Known Issues:

For known issues, please see the Enfocus Knowledge Base:
